Volume 04: Chamber of the Two-Headed Dragon

My most valuable possession? That would be the 900 yen notebook, my diary for the two months between June and August 1979. I started this diary after reading the published diary of some writer. When I read this diary now, my past self, my friends from the past are all in there. I find it interesting and am moved to the point of tears.

THIS IS SO FRIGHTENING IT MAKES ME FORGET THE PAIN OF MY COLD BURNS! SUCH ZOMBIES... A HUGE SWORD THAT MAKE'S MISTER JOESTAR'S 195 CENTIMETER BODY LOOK SMALL! AND THAT MYSTERIOUS BLACK HAIR!

THEY'RE HIDING SOMETHING! AFTER MEETING SO MANY PEOPLE, I CAN FEEL SOMETHING PRESSURING!
THEY ARE NOT LIKE THAT MERE ZOMBIE WE FOUGHT IN THE TUNNEL!
AND THEIR FACES!
EVEN HISTORY IS MY SERVANT!
ALL ENGLISHMEN HAVE HEARD OF THESE LEGENDARY KNIGHTS, TARKUS AND BRUFORD!
オオ
SWOOOOSH
フォオ
Three Hundred years ago, in 1595, two Queens fought for the throne.

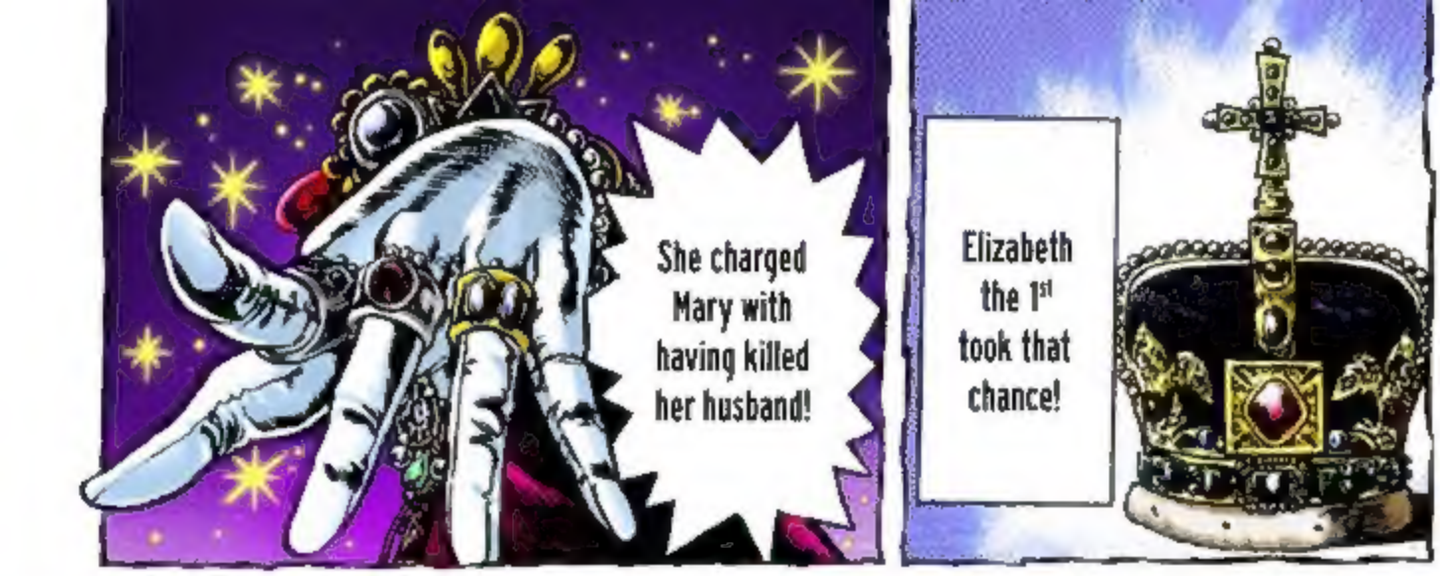

And the other was the beautiful 23-year old Mary Stuart!
One was Queen Elizabeth the 1st.

They were both of the Tudor Dynasty...
Tarkus and Bruford, the Dark Knights, were Mary's faithful retainers...
Bruford was a man who could attack his enemies by surprise after swimming a five kilometer lake wearing 30 kilograms of armor!!
Tarkus was a hero who could cut rocks like butter with his sword.

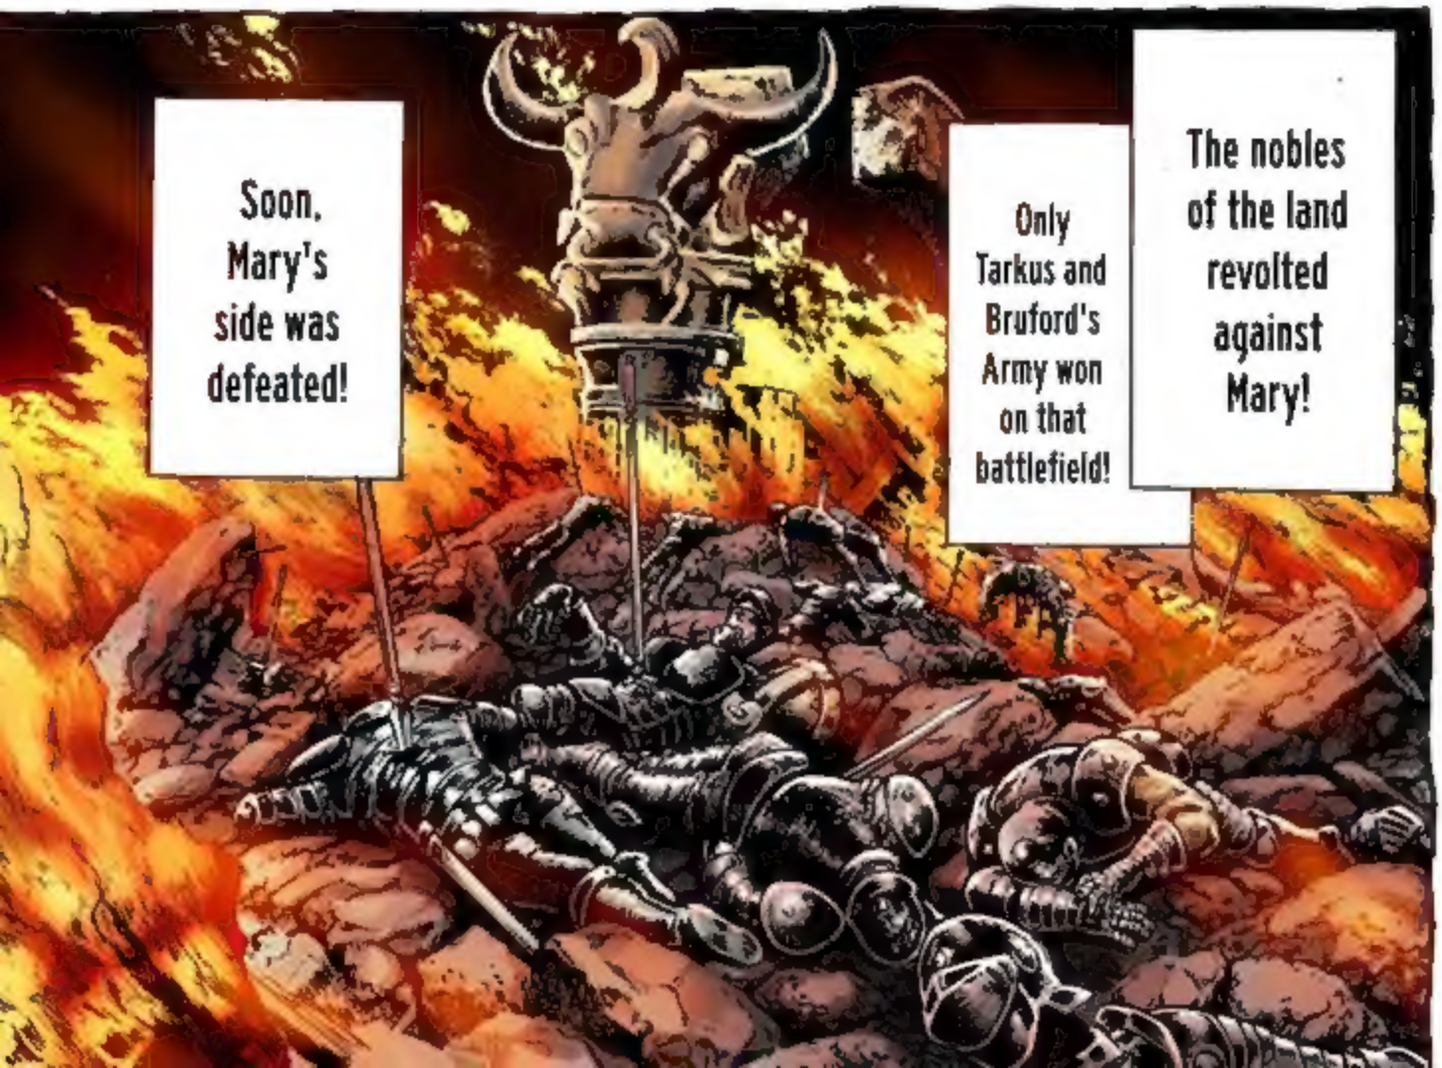

Such was Mary's charm!
Any man, however strong, could sense the peace in her heart... not love, but a greater peace to which they could entrust themselves!
They were both brought up as knights without any relatives, having lost parents and siblings in the war!
They lived their youth in lonliness... Forging their bodies to the utmost!
So they pledged their loyalty and sword to make her Queen, even if it cost them their lives!
The one who gave them a smile and took them in with great tolerance was her, Mary!

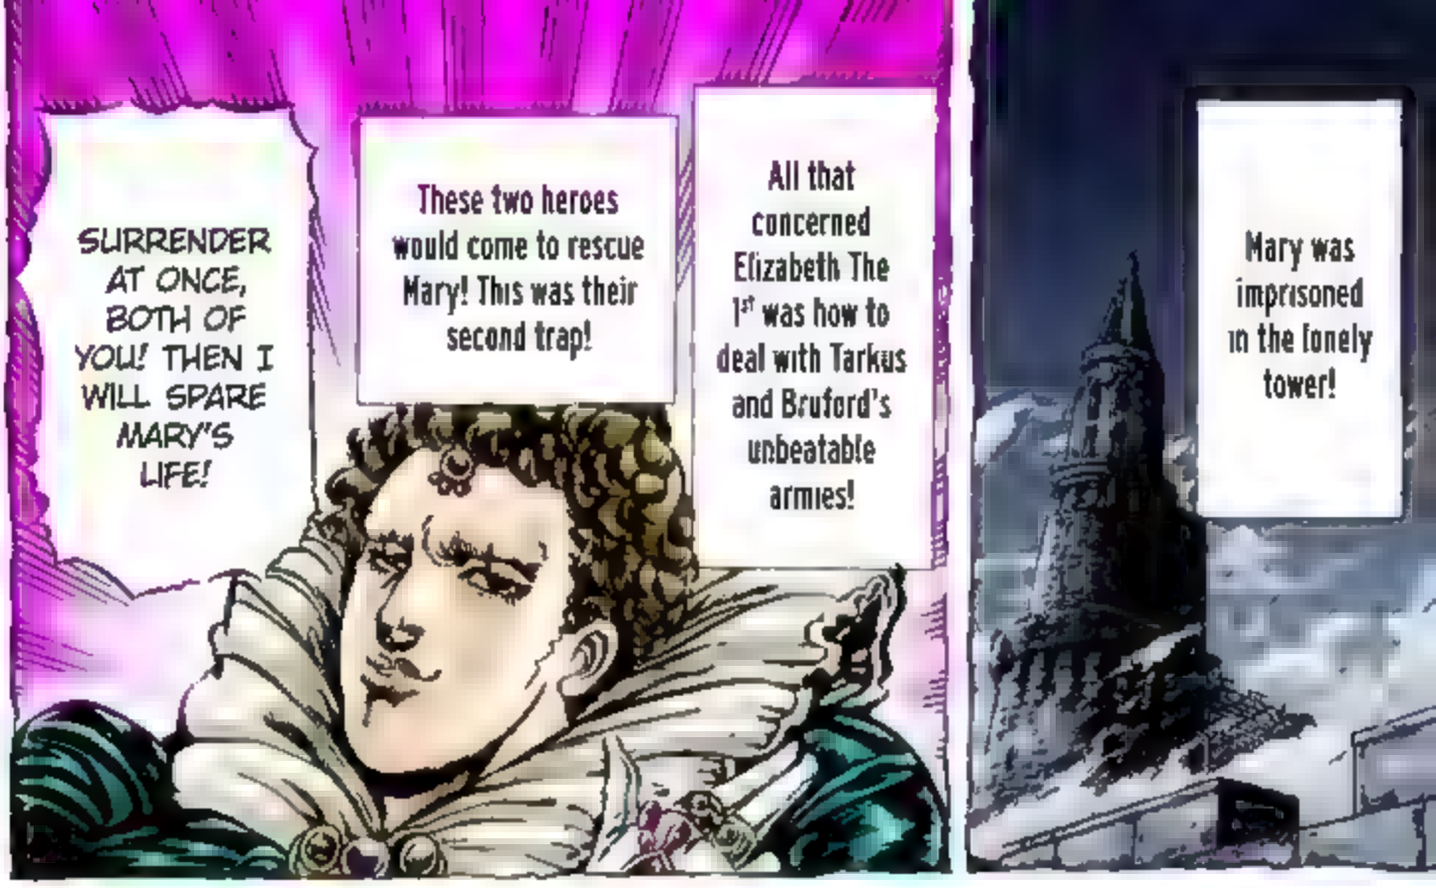

But a guest named "Tragedy" visited Mary...

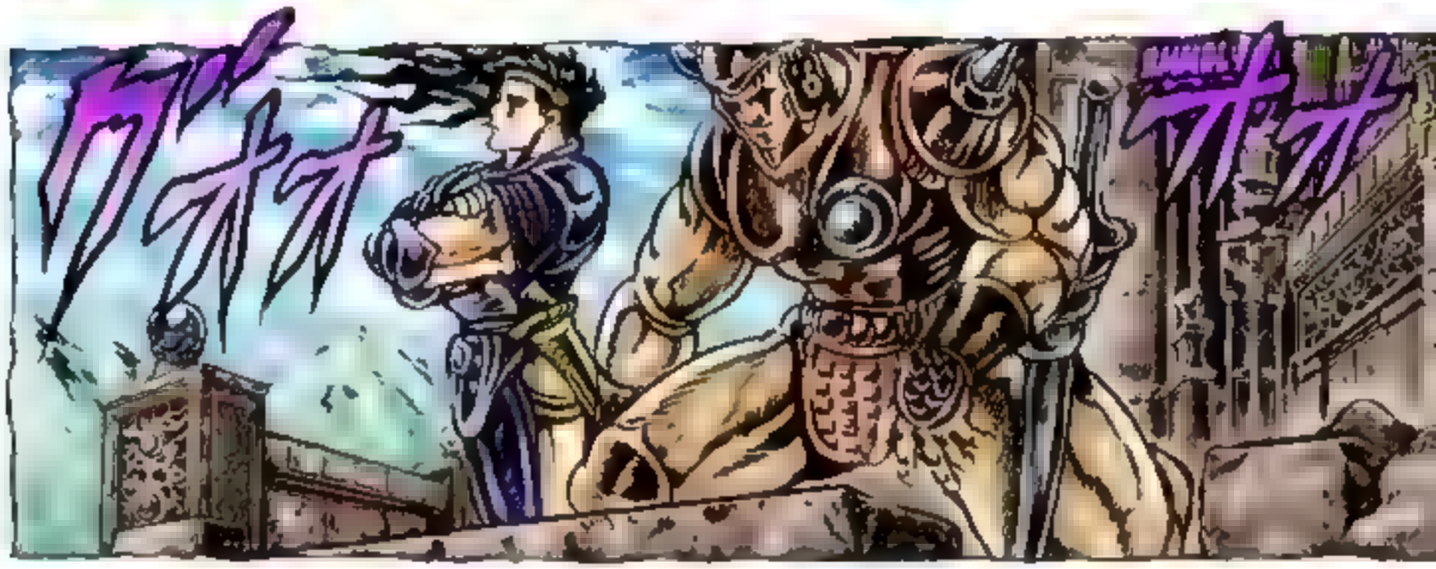

Mary's husband, Darnley, Died! (History does not know the cause)

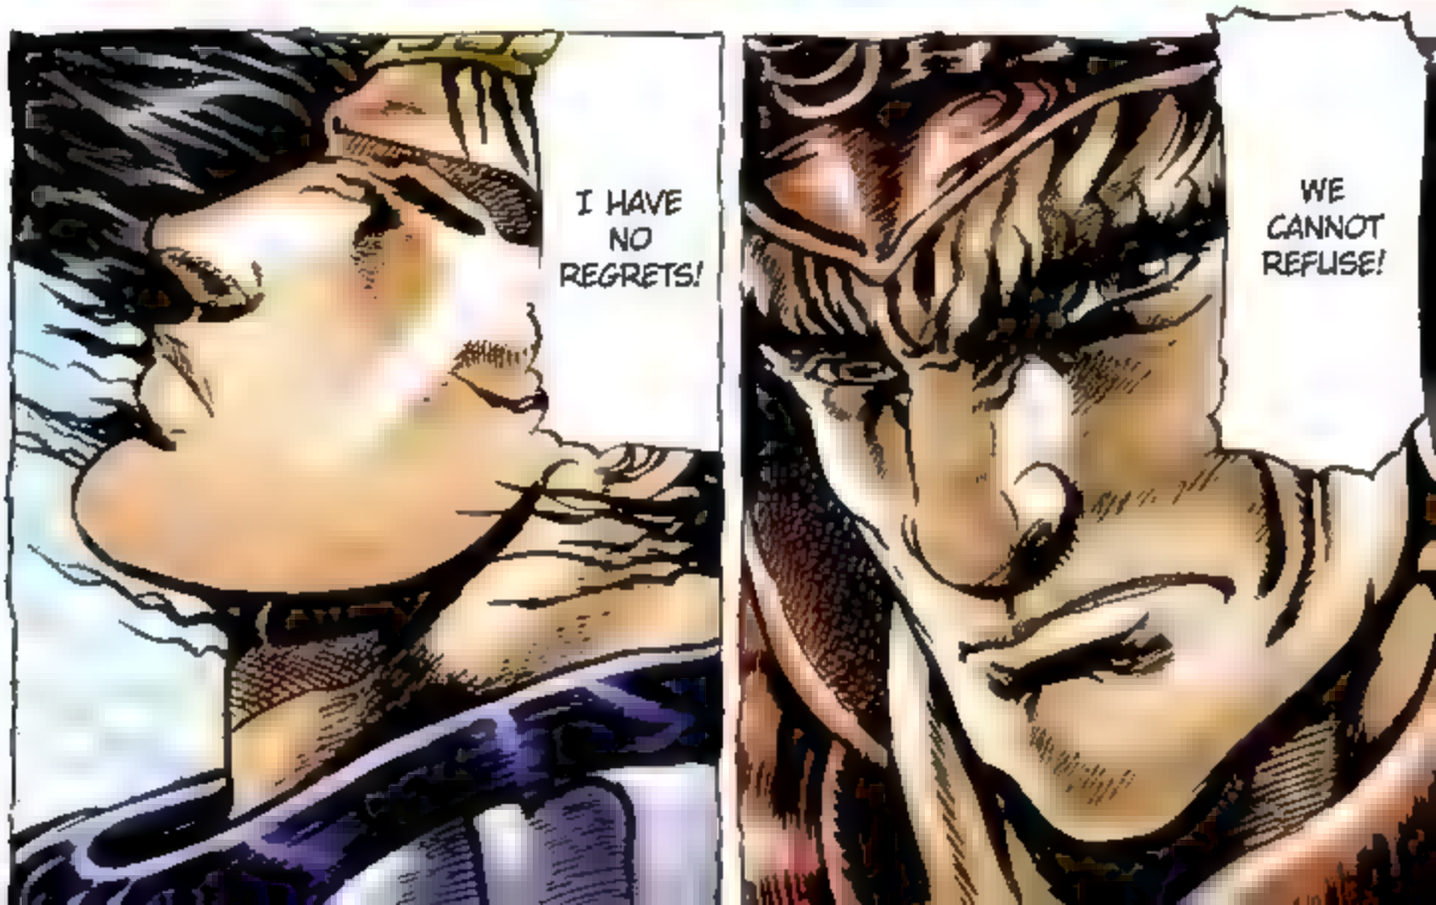

She charged Mary with having killed her husband!
Elizabeth the 1st took that chance!

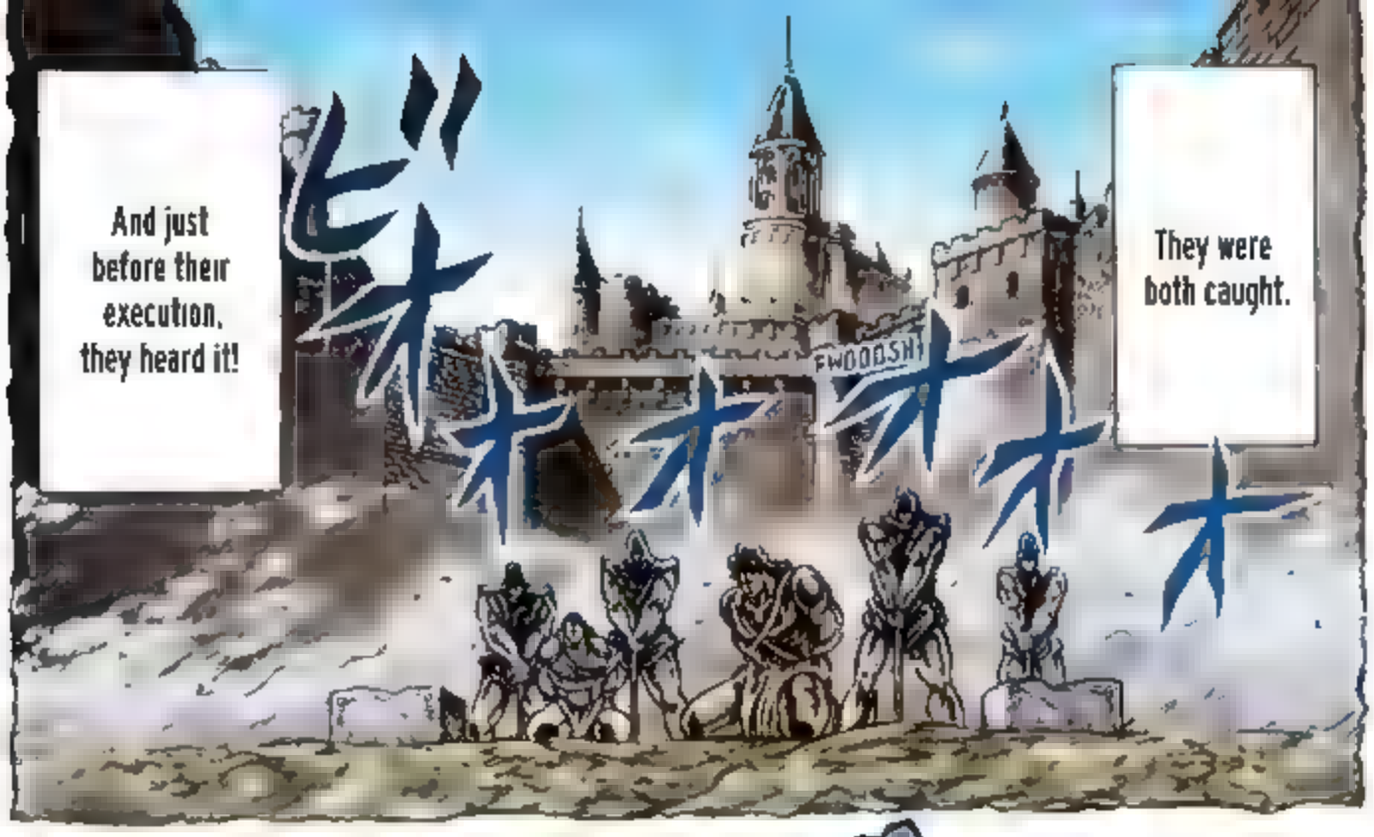

Tragically, that suspicion was all it took! A Queen could not be suspected of having killed her husband! It was a scandal the population could not accept!
WE WILL NOT FORGIVE THIS INSULT!
WHAT? THAT WAS A COMPLETE LIE!

Soon, Mary's side was defeated!
Only Tarkus and Bruford's Army won on that battlefield!
The nobles of the land revolted against Mary!

SURRENDER AT ONCE, BOTH OF YOU! THEN I WILL SPARE MARY'S LIFE!
These two heroes would come to rescue Mary! This was their second trap!
All that concerned Elizabeth The 1st was how to deal with Tarkus and Bruford's unbeatable armies!
Mary was imprisoned in the lonely tower!

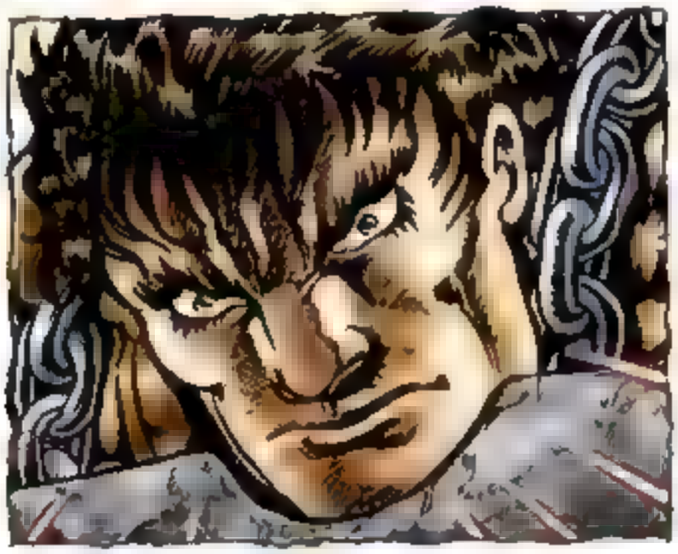

SWISH!

I HAVE NO REGRETS!
WE CANNOT REFUSE!

And just before their execution, they heard it!
They were both caught.
FWOOOSH

HAH! YOU FOOLS! THE ONE IMPRISONED IN THE TOWER ISN'T MARY STUART HERSELF!
I'LL TELL YOU AS A PRESENT TO THE OTHER SIDE!

SWEEEE

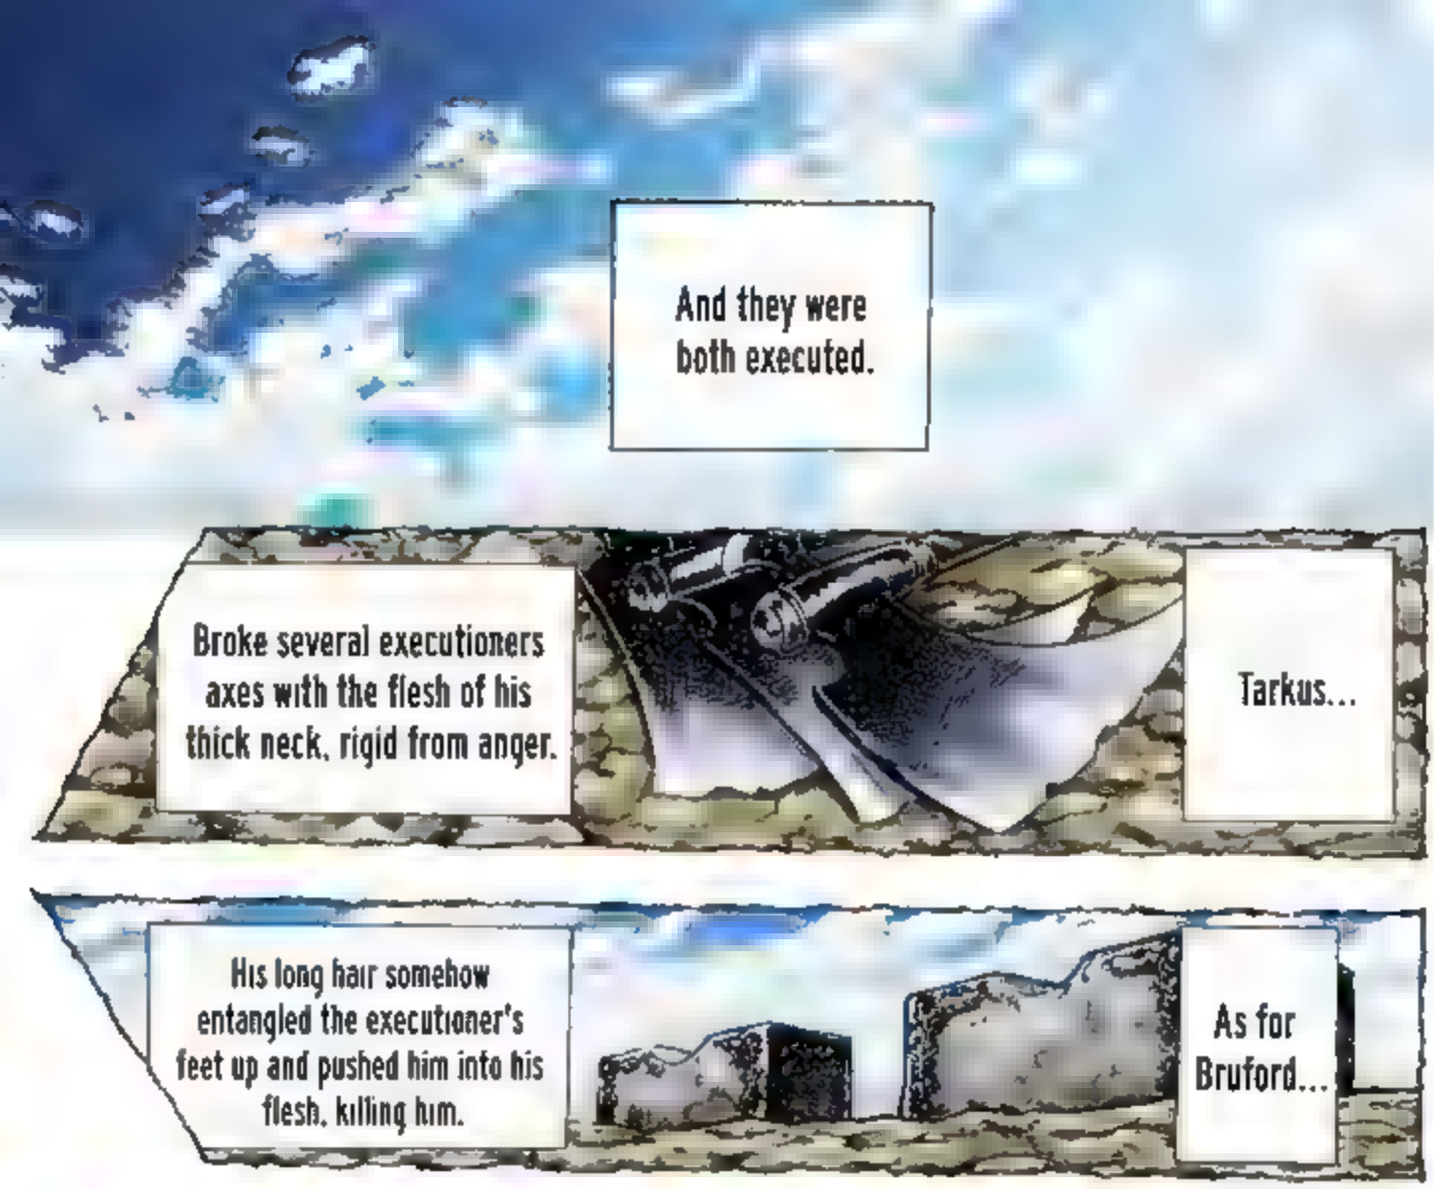

I CUT HER NECK MYSELF YESTERDAY! SHAHA HAHA!
MARY IS ALREADY DEAD! YOU WERE FOOLED!
SMASH
THAT'S JUST A FAKE! AN IMPERSO-NATOR! HAHAHA!

LOOK! THAT BAG OF TRASH OVER THERE!

IT'D BE BAD TO KILL A QUEEN DESPITE THE OFFICAL PROMISE, BUT LETTING HER LIVE WOULD RISK A REBELLION, SO...
GAA AAAH!
URR RRGH!

DAMN YOU ELIZABETH, YOU GOD FORSAKEN TRAITOR!
DIE!
I CURSE YOU! I CURSE YOU AND ALL YOUR DESCEN-DANTS!

And they were both executed.
Broke several executioners axes with the flesh of his thick neck, rigid from anger.
Tarkus...
His long hair somehow entangled the executioner's feet up and pushed him into his flesh, killing him.
As for Bruford...

I MADE THE TWO OF THEM DEMONS OF VENGANCE!

THEY HATE PEOPLE, THEY CURSE THE WORLD! THE GRAVES OF THESE LEGENDARY KNIGHTS WERE IN THIS TOWN! AND I, DIO, DUG UP THOSE GRAVES AND GAVE THE CORPSES NEW LIFE!
AND I LIKED THEIR WONDERUL DELUSION!

WE WILL RUIN THIS WORLD AND KILL EVERYONE!
URREYYY! WE SWORE LOYALTY TO LORD DIO!

GWAH

THIS YOUNGSTER HAS THE GUTS TO STRIKE HIS OWN ARM TO CUT MY HAIR.
BRUFORD THE DARK KNIGHT! SUCH SAVAGE POWER! AND PLENTY OF CRUELTY!
UGH!
THE BODY BRIMMING WITH POWER AND PRIDE IN HIS FIGHTING, GIVES HIM CONFIDENCE!
SUCH A STRANGE FEELING... THE MALICE OF BRUFORD THE DARK KNIGHT WHOM I LEARNED OF IN SCHOOL, TURNED AGAINST ME!
I MUST PREPARE MY BREATHING! RELAX MY MUSCLES!

One of Bruford's techniques as a fierce knight!
AA AA AA AH !!
TUMBLE
THUD
OH, NICE REFLEXES! NOT MANY WOULD SEE MY DANCE MACABRE HAIR IN TIME...!!
INT-ERE-STING ..
It has been explained before that windknights lot was a place for training for knights in the middle ages.
But it has a training method called "The 77 Rings" that would freeze the blood on any man.
The trial is to merely climb the ten kilometers of northern mountain roads wearing heavy armor, and surpass the cliffs and rivers.

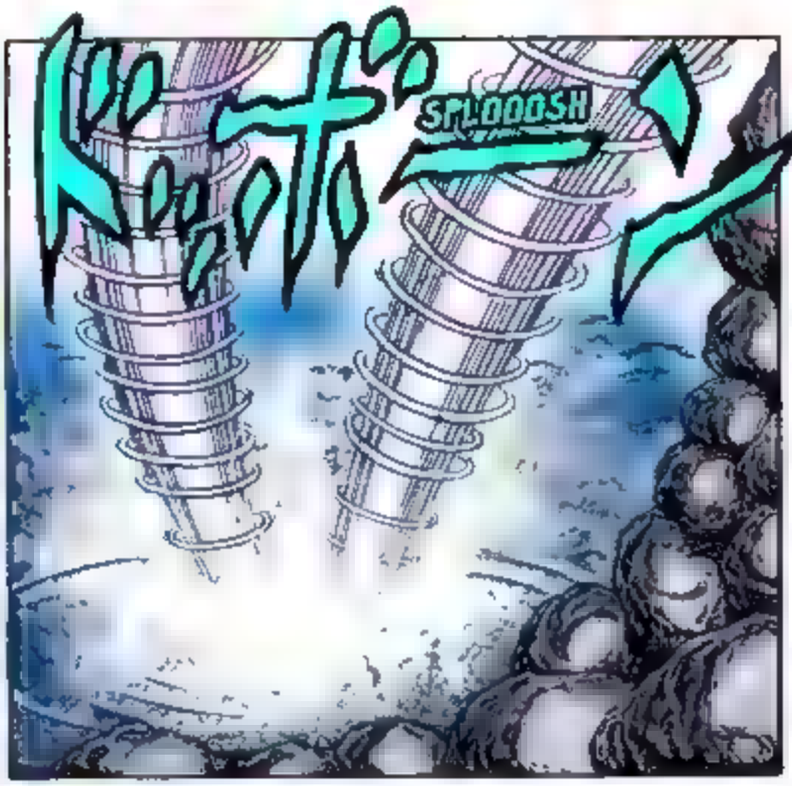

Not only is it a serious fight, but the opponents have bracelets on their arms and legs, which you must take and wear as proof of your victory.
But the most terrifying challenge is the seventy-seven opponents you have to defeat along the way!

Individually, they are no big deal, but the weight you must carry to win will be a hellish struggle! You must fight the 77th warrior with over one hundred kilograms of weight! Most who try fail, and are killed there.

...and in 1563, Tarkus and Bruford, the Dark Knights!
Only five men in history have defeated The 77 Rings! In 1327, Winsoloe The Lion King, in 1389, Ikeman the Lightning, in 1408, Kaynegis the one-eyed...

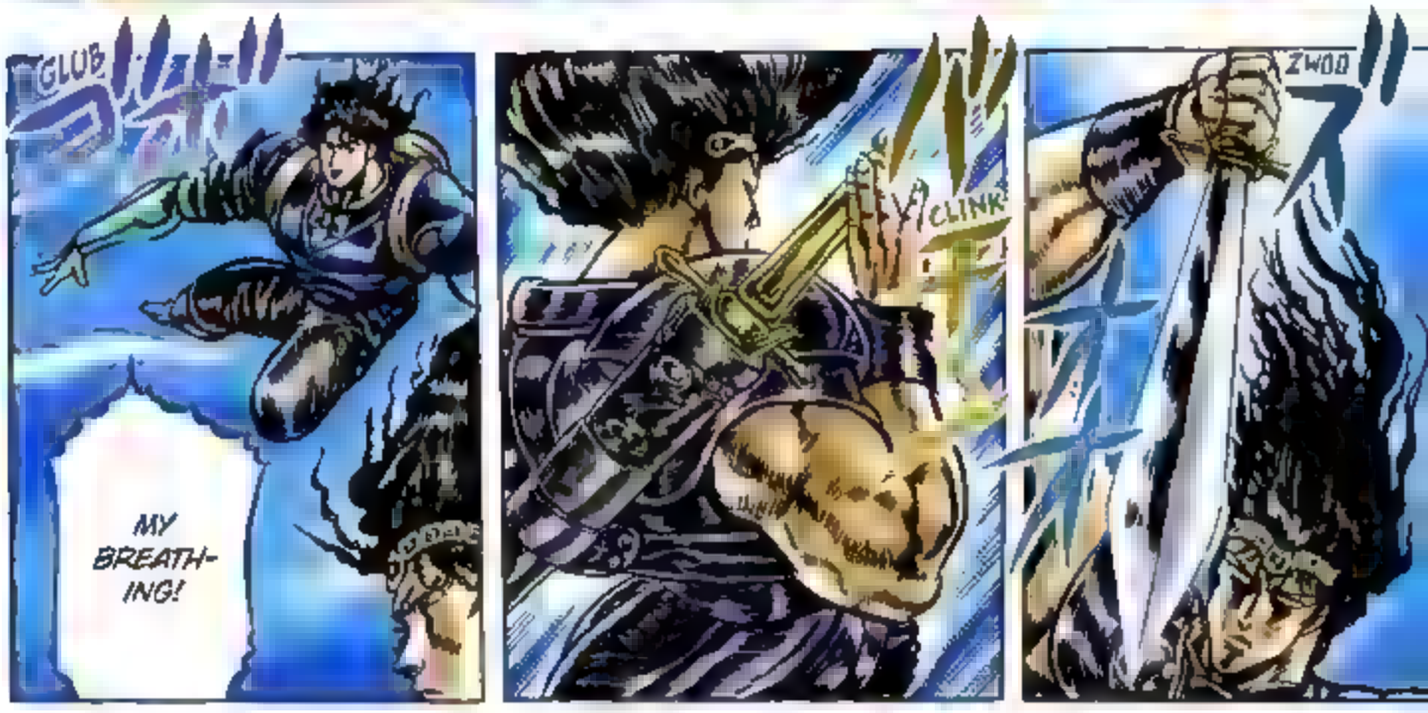

NOW THEN, JOJO!
RWOOOOO
This hair which he uses as a third arm to entwine things, and even if you avoid the hair, he comes with a thrust of a kick from a blind angle!
All but Bruford were big, strong men, but the reason the clever Bruford managed to overcome the trial was the Dance Macabre Hair!

THEY'RE IN THE WATER! THIS IS BAD! HE CAN'T BREATHE THERE! THIS MEANS HE CAN'T USE HAMON!
MISTER JOESTAR!

UUUIRGH!
COME! TRY SOMETHING BEFORE YOU DROWN!
CAN I REACH THE SURFACE BEFORE HIM!?
SUCH SWIMMING IN THAT HEAVY ARMOR!
DO I HAVE A CHANCE!?

BUT I HEARD NOTHING ABOUT THE STONE MASK. WHERE HAD IT GONE? IT HAD TO BE IN SOMEONE'S POSSESSION.
IN A TOWN IN INDIA, I MET A STRANGE MAN!
WHAT WAS STRANGE WAS THAT HE LOOKED SO YOUNG, YET CALLED HIMSELF A "DOCTOR"...
I WAS SHOCKED!
WATCHING HIS HEALING WAS. . UNBELIEVABLE! ON AN OLD MAN WHO'S LEG WAS SO BAD THAT WESTERN MEDICINE WOULD HAVE HAD TO AMPUTATE THE LEG JUST TO SAVE HIS LIFE!

YOU SHOULD BE ABLE TO WALK IN TEN DAYS... YOU JUST NEED TO EAT SOME GOOD FOOD AND REGAIN YOUR STRENGTH BACK.
IT'S THE OPPOSITE OF THE STONE MASK!!

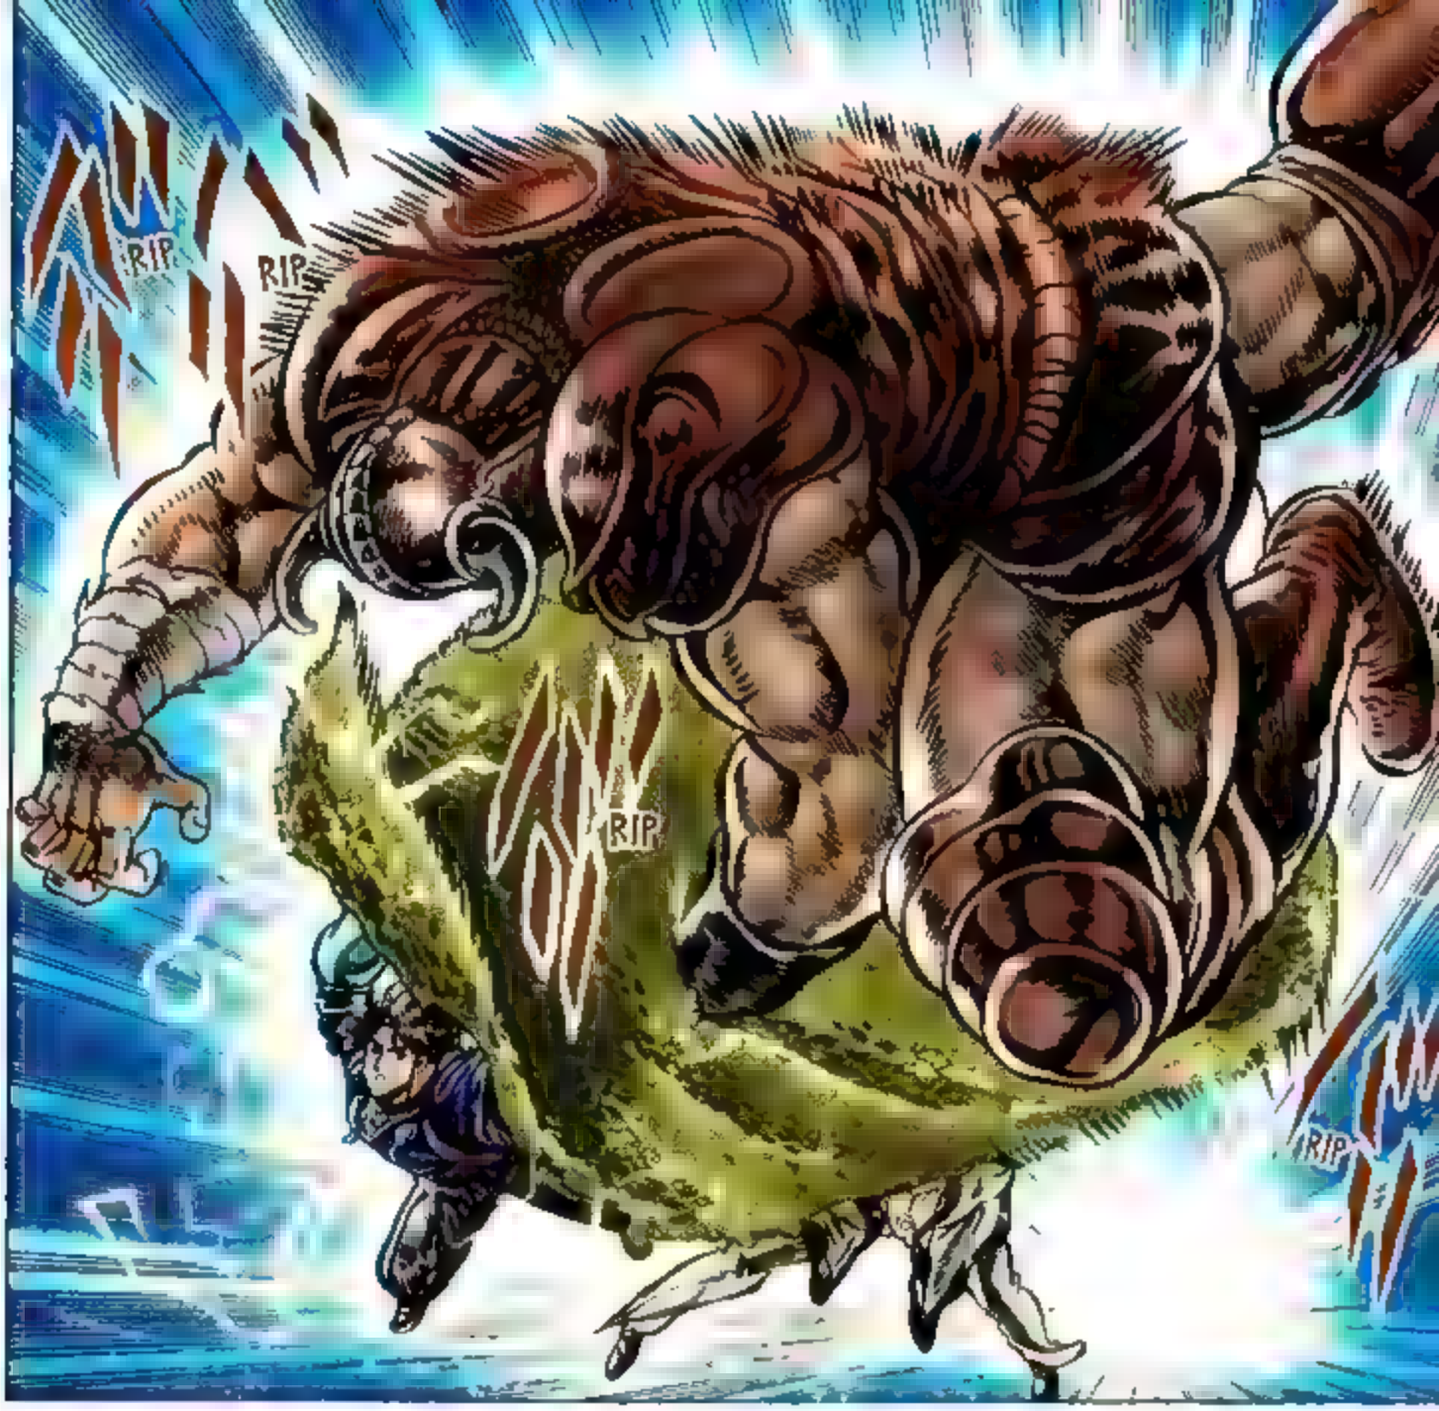

THIS POWER CAN GO AGAINST THAT HORRIBLE MASK!
THIS IS MY INTUITION, BUT...
BUT HERE THIS GUY IS GIVING ENERGY WITH HIS HAND. IT'S THE COMPLETE OPPOSITE!
WHEN MY FATHER WORE THE STONE MASK, HE WAS ABLE TO SUCK EVERYTHING OUT OF THE HUMANS LIKE A TREE ROOT TAKING NUTRIENTS.
I HAVE A REASON TO RISK MY LIFE TO LEARN IT!
IT'S VERY TOUGH... SOME DIE.
